CONSENT FOR TREATMENT _____ Initial Here

It is our goal to provide the highest quality of care in a safe environment, in which patients may receive treatment, and staff may carry out their professional responsibilities to patients. In our efforts to achieve this goal, we require all patients, accompanying family members, and visitors to refrain from any disruptive behavior, which may pose a threat to the rights or safety of other patients and employees. Accordingly, our patients agree to refrain from the following actions: (1) Bringing firearms or other weapons into the clinic; (2) Inappropriate behavior involving alcohol/substance use at time of treatment; (3) Attempting to intimidate or harass in any manner therapists, staff, or fellow patients; (4) Inappropriately touching therapists, staff, or fellow patients; (5) Racial or cultural slurs or other derogatory remarks associated with, but not limited to, race, language or sexuality; (6) Making harassing, offensive or intimidating statements, or threats of violence through any medium of communication; (7) Making verbal threats to harm another individual or destroy property; (8) Physical assault or inflicting bodily harm; and (9) Intentionally damaging equipment or property. Violators of the abovementioned actions may be asked to leave the facility and/or be discharged from the clinic. Our patients have the right to physical therapy services without discrimination based upon race, color, religion, sex, sexual orientation, or national origin. My signature below indicates that I will support the clinic in its efforts to provide me with quality care in a safe environment and that I understand and accept the terms of the Patient Code of Conduct.

CANCELLATION AND NO SHOW POLICY _____ Initial Here

Patients are expected to keep all scheduled appointments to maximize the benefits of their treatment plan. If a patient is unable to make a scheduled appointment, the patient is expected to give 24 hours advance notice or may be charged a cancellation fee of \$30. Two (2) consecutive appointment no-shows may result in discontinuation of the current appointment schedule for the therapy involved. A pattern of frequent absences (cancellation and/or no-shows) will be considered problematic and result in discontinuation of services. Planned absences from scheduled therapy will not be considered cancellations or no-shows. If a patient provides notice of a planned absence, their on-going schedule may be placed on "hold" for up to two (2) weeks. A renewed prescription and appointment schedule may need to be arranged depending on the length of time which has passed.
